## Work Experience

06/2018- Bancomer - Softtek, Business Intelligence Developer - ETL (IPC),

current Activities: Use of the pmrep and pmcmd commands from Informatica PowerCenter inside BASH/KSH scripts to automate workflow execution, extraction, importation and exportation. Load of fixed with and delimited flat files such as CSV, TSV, COBOL to multiple staging or historical tables applying IPC transformations such as Expression, Filter, LookUp, Update-Strategy, Joiner, Union, SQL, Stored procedure, Normalizer. PL/SQL query translation to IPC mapping/workflows complying business rules..

04/2018- AT&T - Ibérica, Jr. Data Analyst,

06/2018 Activities: Develop of machine learning models such as Random Forest, Polynomial regression, Support Vector Machines, for 3G and 4G cells classification and failure probability using the Python language. Load of CSV files using the Python Pandas library to filter, mining and export information to an Oracle server for further analysis.

#### Education

2016-2018 M.S. Telecommunications Engineering, Instituto Politécnico Nacional, Sección de Estudios de Posgrado e Invesgigación (SEPI) ESIME, Zacatenco.
Master's Degree. Network computer and Machine Learning speciality.

2011-2016 Communications and Electronics Engineering, Instituto Politécnico Nacional, ESIME, Zacatenco.

Bachelor's Degree. Computation speciality with professional license

#### Certifications

2019-2020 Scaled Agile Framework SAFe 4.6, Certified SAFe 4 Practitioner, Scrum practitioner.

Computational Skills and Agile Software Development Methodologies

Languages Python, R, SQL, PL/SQL, BASH, KSH, C, C++, Matlab, ASM, LATEX

DBMSs Teradata, Oracle, MySQL

BI Informatica PowerCenter, Workflow, Designer, Repository, Monitor

Platforms Unix, Linux, Windows, Control-M, MAC OSX

Tools - Git, Github, ScikitLearn, Tensorflow, Numpy, Pandas, Matplotlib, Seaborn, Teradata Studio,

Libraries Oracle Developer, MySQL Workbench, Emacs, Eclipse IDE, Sublime Text, TexStudio, Office Suite (Excel, Word, Power Point), Jupyter Notebook.

Agile SAFe 4.6, Scrum

## Languages

Twenty levels completed at the Quick Learning English school. Level B2 endorsed by the Centro de Lenguas Extranjeras del Instituto Politécnico Nacional (CENLEX) English school.

		Comprehe Listening		Speaking Interaction	Production	Writing
Spanish	Mother tongue	100%	100%	100%	100%	100%
English	Advanced	95%	100%	90%	90%	95%

### Conferences

- 2018 Congreso Nacional de Expo Acustica, http://www.expoacustica.ipn.mx/, Topic: "Reconocimiento de voz utilizando redes neuronales", México. CDMX.
- 2017 XVI Congreso Nacional de Ingeniería Electromecánica y de sistemas, http://www.sepi.esimez.ipn.mx/cnies/, Topic: "Algoritmo IMO y SVMs para la elaboración de un sistema de red de detección de intrusos ligero basado en anomalías mediante la base de datos NSL-KDD, México. CDMX.
- 2016 Coloquio de Seguridad en Redes de Computadoras, Topic: "Sistemas de red de detección de intrusos y Machine learning", México. CDMX.
